

CURRICULUM VITAE

Personal Data

Name : Riski Arianto Harahap
Place and date of birth : Batam, 25 July 1995
Gender : Male
Religion : Muslim
Married Status : Single
Address : Kavling Kabil Indah Blok D5 No 45
RT002/RW003 Kel kabil Kec Nongsa
No.Hp : 085763524670
E-mail : riskiarianto7@gmail.com
Linkedin : www.linkedin.com/in/riskiarianto

Educational Background

- Universitas Ibnu Sina (Industrial Engineering) (2018 -2022)
- SMK Negeri 6 Batam (Machining Technique) (2012-2014)
- SMP Negeri 17 Batam (2008-2011)
- SD Negeri 007 Nongsa I (2002-2008)

Skills

- Proficient in using MS Word, Excel, PowerPoint
- Leadership
- Ability to Communicate Well
- Ability to speak and write English
- Mastering the operation of NDT tools, LPT (liquid penetrant testing) & MPI (magnetic particle testing), calibrations the york , welding machines and other machinetools.
- Mastering the use of precision measuring instruments (Calipers, Micrometers, Dial Indicators)
- Knowledge of K3 (HIRADC , JSA, FIRE FIGHTING)

Work experience

- **PT. Citra Tubindo Tbk**
 - Quality Assurance Metrology Technician 2021 – Now
 - Prepare tools that will be used when checking in production.
 - Assist metrology technicians when calibration measuring instruments by using a mic trac.

- Prepare equipment for Re-gauging checks by Third Party or customers.
- Repair damaged gages from production such as OD micrometer, depth caliper, caliper, dial indicator, run out gage, tapar gage, etc.
- Record all gages in the company using the control number.
- Record all gages to be calibrated eksternal.
- Control certificate of gauge for audit API.
- **PT. Yokohama Industrial Products Manufacturing Indonesia**
 - Production Leader, 2015 - 2020
 - Responsible for achieving production targets.
 - Fill out the production input / output report.
 - Make a work instructional.
 - Make a marine hose (single carcass, double carcass , and sts)
 - Ensure the operator uses the PPE (Personal Protective Equipment)
 - Ensure the operator for the use of chemicals must read the MSDS First
 - Conducting field mentoring to operators to meet operator competencies.
 - **PT. Citra Tubindo TBK**
 - Internship Disnaker Program , 2014
 - Study the measurement of API thread dimensions, Premium T & C, and Flush Joint
 - Study visual measurements of API threads, Premium T & C, and Flush Joints
 - Study the API 5CT 9th specification

Organizational Experience

- 2018 - 2019: Member of HIMATRI (industrial engineering student association)

Course / Training

- **NDT (Tangerang NDT) (2020)**
 - **Magnetic Particle Testing Level II**
 - **Liquid Penetrant Testing Level II**
- **Rigger (BNSP) (2019)**
- **K3 Boiler Class 1 (Kementerian Ketenagakerjaan Ri) (2016)**
- **Fire Fighting (2016)**
- **Gauging Inspection (PT Citra Tubindo TBK) (2015)**
 - Thread Gauging Level 1**
 - Thread Gauging Level 2 A**
 - Thread Gauging Level 2 B**
