## OPTION 1 :

### Medical examination performed by an International SOS recommended medical center

In relation to the high mobility which applies to many jobs in the company and the unequal/inconsistent level of protection provided by local labor regulations and local medical facilities in the large number of countries concerned, SCHLUMBERGER has implemented the eMed-Track program and is carrying out personal data processing related to its employees' and their family's medical examination under this program, to reduce its employee's and their family's medical risks. In addition, the eMed-Track program provides employees and their family with online access to their (or part of their) medical information. SCHLUMBERGER will not have access to the personal data resulting from the medical examination. Only the Schlumberger Medical Department, and International SOS which provides the eMed-Track program and its contractors (the licensed physician(s) and medical staff who perform this medical examination), and are subject to ethical/confidentiality rules of the medical profession, will have access to such personal data. The data processing mentioned earlier in this introductory paragraph may only be carried out with your consent, and therefore, SCHLUMBERGER wishes to inform you of the data processing, and obtain your consent to such processing and to the resulting transfer of such data outside the EU.

#### INFORMATION AND CONSENT

I am informed of, and agree to, the following:

- (a) SCHLUMBERGER will transfer to International SOS my personal non-sensitive data required by SOS to organize this medical examination (i.e. name, date of birth, gender, employee number, nationality, job description/title, country of assignment and contact details).
- (b) SCHLUMBERGER via the Schlumberger Medical Department, and International SOS which provides the eMed-Track program and its contractors (the licensed physician(s) and medical staff who perform this medical examination), will collect, process and record my personal data required for the eMed-Track program needs, to provide access to authorized physicians or medical staff to the data related to my medical examination, including health data.
- (c) The personal data collected and processed are necessary for SCHLUMBERGER to achieve the purposes stated in the introductory paragraph above. For these purposes, relevant and adequate data are collected. These data are mostly sensitive data and their collection and processing requires my prior express consent.
- (d) I undertake to provide complete and accurate data.
- (e) SCHLUMBERGER (Schlumberger Limited, the ultimate parent company with a principal office at 42 rue Saint Dominique, 75007 Paris, France) is the data controller of the data processing related to the eMed-Track program.
- (f) International SOS and its contractors (the licensed physician(s) and medical staff who perform this medical examination) may collect, process and record my personal data, on behalf of SCHLUMBERGER. International SOS entered into an agreement with SCHLUMBERGER (or its representative) under which it undertakes to comply with, and cause its contractors (the licensed physician(s) and medical staff who perform this medical examination) to comply with, EU personal data protection laws and national laws adopted pursuant thereto, and applicable medical and health regulations. It also undertakes to implement adequate confidentiality and security measures in order to protect and maintain my personal data in a secured manner. Except as required by law or legal authorities or upon expiry or termination of the agreement between SCHLUMBERGER (or its representative) and International SOS, my personal data will not be transferred to any other recipients.
- (g) I acknowledge and expressly agree that without prejudice to paragraph (f), International SOS shall not be liable for the accuracy or medical conclusions of the medical examination carried out by its contractors (the licensed physician(s) and medical staff who perform this medical examination).
- (h) My personal data, for the sole purposes herein mentioned (which includes technical and organizational purposes, such as data storage on a server located in a country outside the EU), may be transferred outside the EU to third countries that do not have or may not have the same level of protection as the one in the EU. Such transfer of my personal data outside the EU requires my prior express consent.
- (i) Pursuant to EU data protection laws and national laws adopted pursuant thereto, I have the right to require access to, correction of, or deletion of, my personal data, and oppose the collection or processing of my personal data, by contacting International SOS (Attention Med-Track department, Medical Director, 12-14 rue d'Alsace, P.O. Box 322, 92306 Levallois-Perret Cedex, France, tel: 00 33 1 55 63 32 32). Note that your request must be executed and accompanied by an executed copy of your ID card or passport.
- (j) SCHLUMBERGER has complied with its notification obligation under the Directive 95/46/EC of 24 October 1995.
- (k) SCHLUMBERGER will record my personal data via International SOS. Except as provided to the contrary by law or legal authorities, SCHLUMBERGER will record my personal data for the time necessary to perform the operations related to the eMed-Track program, which duration is of 10 years.

I declare that all information that I provided in this questionnaire is true to the best of my knowledge, and I agree that the results of this medical examination will be sent by the licensed physician(s) and medical staff who perform this medical examination to Schlumberger Medical Department, and International SOS, and processed by said parties.

I agree to the collection, processing and storage of my personal data as described above, which includes sensitive data (e.g. health data) and to the transfer of my personal data outside the EU.

I agree to have online my personal data (or part of it) on the dedicated and secured International SOS website accessible to myself and the Schlumberger Medical Department (<http://www.internationalsos.com/private/schlumberger/Medtrack/>).
