Pak Achmad,

This is related with requested on attached email for inspection M-I SWACO equipment at Medco Ijen location well IJN 6-2, Ijen Bondowoso, Jawa Timur

Before send the personnel, we need to submit names of personnel and Full MCU result to get green light from MCG (Medco Ijen).

MCG Covid protocol :

- 14 days travel Log
- Self Assessment
- Rapid Test Serological H-1

Mas Supomo – Please share the forms

Usually if we had crew change from Jakarta, we will do PCR test for our crew (SLB Standard), go flight to Banyuwangi, once arrived Banyuwangi then do Rapid test Serological and next day going to location.

We had transportation for pick up ISP crew from Banyuwangi

Regards,
Pono
